A warm welcome to all who have come to visit and worship in this historic ***Little White Church***. Please remember to sign our guest book.

Nos sincères remerciements à Marcel Lavallée pour avoir fournir la musique.

The flowers placed in the Church today are placed in memory of Ronald Yull, a long-time member of the Church and Cemetery Committee who passed away April 26, 2021. His many years of dedication and hard work have contributed to the preservation of this church. In particular Ron took special care of the bell and today we think of him as it rings.

The Committee is thankful for the painting of the church, a result of very generous donations which allowed us to receive additional support from the Conseil du Patrimoine religieux du Quebec. We will be participating in their Open House on Sunday, September 12th 2021 from 1pm to 4pm. Please stop by

and support us as we begin to raise funds for the final portion of renovations, all in preparation of our upcoming bicentennial.

Following the service, there will be light refreshments provided through the efforts of volunteers who so kindly contribute to the table.

The Russeltown Church and Cemetery Committee is dedicated to preserving this historical site and the memories of the people who have been associated with it through the years.

Unfortunately, with the Covid pandemic, the community has grown more distant and the opportunity to raise funds has been severely impacted. We must remind those who remain both near and far that their financial donation is greatly needed to carry on this work. The Committee will provide tax receipts and hope that our appeal for support will be heard.

Donations may be sent to the:

The annual meeting of the Committee will be held in September 2021 and anyone interested is invited to join us. Please reach out to a member for more information.

Please feel free to take an extra copy of today's service bulletin to share with friends and family who unable to attend today. Encourage them to help us maintain this historic site.
